Identifying residential customers experiencing financial hardship

6. A **residential customer** experiencing **financial hardship** is someone who is identified by themselves, by **us**, by an **accredited financial counsellor**, or by a welfare agency as having the intention, but not the financial capacity, to make required payments in accordance with **our** payment terms.
7. There are two types of **financial hardship**: ongoing and temporary. Depending on the type of **hardship** being experienced, **hardship customers** will have different needs and will require different solutions.
8. **Residential customers** that are identified as experiencing ongoing **hardship** are generally those on low or fixed incomes. These **customers** may require ongoing assistance.
9. **Residential customers** that may be identified as experiencing temporary **hardship** are those that have experienced a short-term change in circumstances, such as serious illness, disability or death in the family, loss or change in income, separation, divorce or other family crisis, a loss arising from an accident, or some other temporary financial difficulty. These **customers** generally require flexibility and temporary assistance, such as an extension of time to pay or an alternative payment arrangement.
10. The extent of **hardship** will be determined by either **our** assessment process or by an external body, such as an **accredited financial counsellor**.
11. Where we assess a **residential customer's** eligibility for **hardship** assistance, we **will** consider indicators including (but not limited to) whether:
 - the **customer** is on a Centrelink income and holds a Pensioner Concession Card or holds a Centrelink Low Income Health Care Card
 - the **customer** is eligible for a South Australian Government concession
 - the **customer** has been referred by an **accredited financial counsellor** or welfare agency
 - the **customer** advises they have previously applied for emergency relief (irrespective of whether or not their application was successful)
 - the **customer's** payment history indicates that they have had difficulty meeting their **retail services** bills in the past
 - the **customer**, through self assessment, has identified their position regarding their ability to pay.

Assisting residential customers who are experiencing financial hardship

12. **We** will inform a **residential customer** of this **customer hardship policy** where:
 - it appears to **us** that non-payment of a bill for **retail services** is due to the **customer** experiencing payment difficulties due to **hardship**, or
 - **we** are proposing to install a flow restriction device.
13. Where a **residential customer** has been identified as experiencing **financial hardship**, **we** will offer the **customer**, as soon as is reasonably practicable, flexible and frequent payment options that have regard to the **hardship customer's** usage, capacity to pay and current financial situation. These options will include the following:
 - an interest and fee free payment plan which complies with clauses 28 to 32,
 - Centrelink's Centrepay service, or
 - other arrangement, under which the **customer** is given more time to pay a bill or to pay in arrears (including any disconnection or restriction charges),

recognising that some **residential customers** have a short-term **financial hardship** issue which may be resolved in the near to medium-term, where others may require a different type of assistance for ongoing financial issues.

14. **We** will not charge a **residential customer** a reconnection charge where that **customer** is experiencing **financial hardship** and should have been identified as eligible for this **customer hardship policy**, so long as the **customer** agrees to participate in **our hardship program**, upon reconnection.
15. **We** will engage in discussion with the **hardship customer** to determine a realistic payment option in line with the **customer's** capacity to pay.
16. **We** will work with a **hardship customer's financial counsellor** to determine the payment arrangement and instalment amount that best suits the **customer** and their individual circumstances.
17. Where a **hardship customer's** circumstances change, **we** will work with the **customer**, and their **financial counsellor**, to re-negotiate their payment arrangement.
18. **We** will still require a **hardship customer** to provide a security deposit.
19. **We** will not restrict a **hardship customer's retail services** if:
 - the **customer** has agreed to a payment arrangement and continues to adhere to the terms of that arrangement, or
 - **we** have failed to comply with the requirements of this **customer hardship policy**, or
 - the **customer's retail service** is a community wastewater management system or other sewerage service.
20. **We** will also offer the **hardship customer**:
 - where appropriate, information about the right to have a bill redirected to a third person, as long as that third person consents in writing to that redirection
 - information about, and referral to, Commonwealth and South Australian Government concessions, rebates, grants and assistance programs
 - information about, and referral to, accredited financial and other relevant counselling and support services, particularly where a **customer** that is identified as experiencing ongoing **financial hardship**.
21. Where a **hardship customer** requests information or a redirection of their bills, **we** will provide that information or redirection free of charge.
22. **We** will provide information to the **hardship customer** on how to reduce usage and improve **water** efficiency, which may include referral to relevant government **water** efficiency programs. This will be provided at no charge to the **customer**.
23. **We** will explain to the **hardship customer** how and when the **customer** will be returned to regular billing cycles (and collection), after they have successfully completed the **hardship program**.
24. **We** will also explain to the **hardship customer** that they will be removed from **our hardship program**, and be returned to **our** standard collection cycles, including debt recovery, should they cease to make payments according to the agreed payment arrangement or fail to contact **us** for a period of greater than 90 days.
25. **We** will not take any action to remove a **customer** from our **hardship program** until **we** have sent the **customer** a written notice, allowing them 10 working days from the date of the notice to contact **us** to re-negotiate their re-entry into the program.

Retail services provided by Councils

26. Council rates are made up of **retail services** (as defined in this policy) and non-retail services, for example refuse collection and parks and playgrounds.

27. If you are a **residential customer** in receipt of a **retail service** provided by a council and you are experiencing **financial hardship**, then only the **retail service** percentage element of the council rates will be subject to the terms of this **hardship** policy. All or any other sums that are due to the council for rates or non-retail services will be dealt with under the council's existing **hardship** policies.

Payment plans

28. **Our** payment plan for a **hardship customer** will be established having regard to:
- the **customer's** capacity to pay and current financial situation
 - any arrears owing by the **customer**, and
 - the **customer's** expected usage needs over the following 12 month period.
29. The payment plan will also include an offer for the **hardship customer** to pay for their **retail services** in advance or in arrears by instalment payments at a frequency agreed with the **customer** (e.g. weekly, fortnightly, monthly or as otherwise agreed with the **customer**).
30. Where a payment plan is offered to a **hardship customer**, **we** will inform the **customer** in writing, within 10 business days of an agreement being reached, of:
- the duration of the plan
 - the amount of each instalment payable under the plan, the frequency of instalments and the date by which each instalment must be paid
 - if the **customer** is in arrears – the number of instalments to pay the arrears, and
 - if the **customer** is to pay in advance – the basis on which instalments are calculated.
31. **We** will waive any fees for late payment of a bill for a **hardship customer**.
32. Where a **hardship customer** is seeking assistance in accordance with this **policy**, but has failed to fulfil their obligations under an existing hardship arrangement, **we** will require them to sign up for direct debit deductions or Centrepay (where available).

Debt recovery

33. **We** will suspend debt recovery processes while negotiating a suitable payment arrangement with a **hardship customer**.
34. **We** will not engage in legal action or commence proceedings for the recovery of a debt relating to a **retail service** for a **hardship customer** if:
- the **customer** has agreed to a payment arrangement and continues to adhere to the terms of that arrangement, or
 - **we** have failed to comply with the requirements of this **customer hardship policy**.
